

Milad Jalali

Front-End Developer

I am a Front-End developer and UI/UX designer, passionate about developing high quality software. I graduated with Bachelor's degree in IT and have over 6 years of experience in project management, mobile and web app development, software life cycle, design patterns, agile methodology, source control, and UI/UX design. I am obsessed about customer satisfaction and committed to deliver products on time. My mission is to bring happiness to people.
